

ONTARIO HOT MIX PRODUCERS ASSOCIATION

The Ontario Hot Mix Producers Association is the authoritative voice of Ontario's asphalt industry, representing 95 percent of all hot mix asphalt producers in the province. OHMPA is dedicated to excellence in asphalt paving and is a working partner with CCIL on committees and seminars dealing with a number of issues to which both associations are committed.

OHMPA welcomes CCIL members to join as associate members. Membership provides unique access to the marketplace, giving associate member companies a competitive edge.

Joining OHMPA is a way that companies can ensure that the industry remains healthy and will continue to grow in the future.

For more information on joining OHMPA, go to www.ohmpa.org or contact the office at 905-507-3707.
