

TESTMARK Laboratories Ltd.

Committed to Quality and Service

Testmark Laboratories Ltd. is a Canadian-owned, privately-held company operating out of three city-centers – Garson (Sudbury), ON, Mississauga, ON and Timmins, ON. The company began laboratory operations in 1998. The company provides independent laboratory testing to all interested parties in the environmental, industrial and government sectors.

The major emphasis at Testmark is environmental testing. However, the laboratory also provides customized testing, bench-level R&D, and consulting with respect to analytical methods and process applications.

ANALYTICAL CAPABILITIES:

- Matrices:
